

# Consent in BDSM

Conceived with the expertise of Gabriel-le Beauregard, BA Sexology  
*info@gabriel-lesexologie.com*

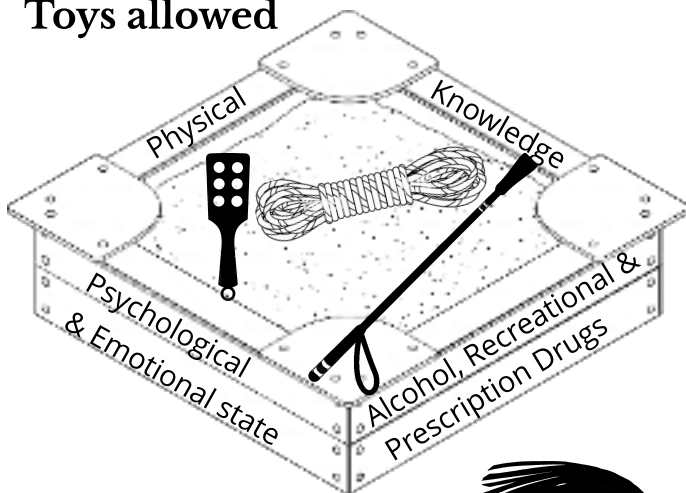

## Before Play

- Define the walls of the 'sandbox';
- Choose toys & activities;
- Determine the rules of play

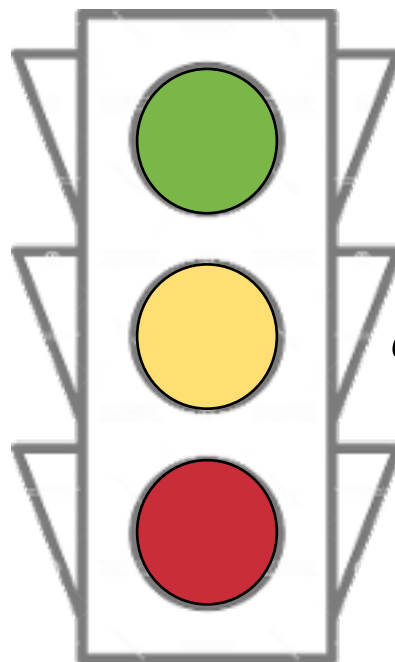

## During Play

- Define a safeword or usage of colours code;
- Listen & Observe for words and/or signs;
- We can always take away but never add items

### Toys allowed

### Toys not allowed

### Green

*All is well*

### Yellow

*Got a thing to say*

### Red

**PULL THE PLUG!**

## After Play

**Aftercare** allows you to fall back into yourself and fulfill certain needs after play. Everyone has **different** aftercare needs, the concerned parties should **share** their **expectations**. You can have your aftercare with **anyone**, doesn't have to be with the ones you played with!
